

The Sobell Bridge Club

Northwood

Bridge for Improvers. Part Two of our club's Learning Bridge Programme. Autumn 2022

10.30 — 12.30 every Saturday from 17th September

This is the second part of the club's teaching programme and is aimed at those who have completed the Beginner's Course or have a sound knowledge of basic bidding and some understanding of the competitive auction.

Theresa Murray-Bates, an English Bridge Union qualified tutor, runs the course which is based on The English Bridge Union's Beginning Bridge Books 1 and 2. Members of the club also assist at the sessions and this helps to ensure that support and tuition is also given in small groups. If you decide to enrol in this class there is a one off payment of £120 for the ten sessions; a copy of Book 2 *Continuing Bridge* is included as part of the course fee.

During each two hour session about forty-five minutes is spent in direct teaching activities. This includes instruction and tasks which help with understanding the particular aspects that are being taught. The remainder of the session is spent playing hands that put into practice the theory taught in the first part of the lesson. The topics to be covered include:

1. The competitive auction
2. Doubles
3. Higher level bids—strong hands
4. Pre-emptive bids
5. Defence against pre-emptive bids
6. An introduction to Stayman
7. An introduction to bidding slam
8. An introduction to weak 2s
9. A defence over weak 2s
